**Emgage PAC**

Emgage PAC is the first Muslim American federal political action committee.

Emgage PAC is a bipartisan, national political action committee that supports state and federal candidates based on their support for civil rights, minority rights, and a diverse America.

In 2018, we helped elect 138 candidates to local, state, and national office.

2019 - 2020

We are working hard to ramp-up our operations in new parts of the country to empower underrepresented communities. Emgage Foundation is focused on capacity building in the Muslim American community and executing a strong GOTV program for the 2020 elections.

Emgage Action is actively advocating against the Muslim ban, stronger anti-hate crime legislation, and protection of immigrants and asylum seekers. Emgage PAC continues to support candidates who uphold our values of inclusivity and believe in equal protection under the law for all Americans.
